Cedar City Award Program Honors the Achievement

CEDAR CITY December 12, 2018 -- Allred and Allred Inc has been selected for the 2018 Best of Cedar City Award in the Concrete Contractor category by the Cedar City Award Program.

Each year, the Cedar City Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Cedar City area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2018 Cedar City Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Cedar City Award Program and data provided by third parties.
